

# STARVEED

BY STARCRAFT

2015

DESTINATION: WATER

With Starweld, unforgettable fishing is within your reach — no matter the size of your budget. Born of Starcraft's 110+ years of heritage and backed by the industry's best warranty, these all-welded aluminum boats range from 20-foot pro-style v-hulls to rugged, durable tillers.

Designed with the input of anglers across North America, Starweld boats offer the right features to help deliver great days on the water. Whether you want a serious fishing boat or a family-friendly fish and ski, flexible options and floorplans mean there's a model just right for you. And the best part? There's a Starweld that's perfect for every budget — so you can stop shopping and start fishing. When you think affordable, think Starweld. Packed with value. Backed by Starcraft.

**OVERVIEW AND COMPARISON**

# IT'S TIME TO GET TOUGH.

THE INDUSTRY'S BEST WARRANTY. PERIOD.

Only a company with the proven history and longevity of a brand like Starcraft can offer you this:

- Limited lifetime warranty on hull and structure
- 6-year warranty on all components, carpet, upholstery, and electronics
- All parts and labor
- Transferable to second owner

# STARWELD

Any Starweld boat will put you out on the water where you belong, and your ideal setup is just a few options away. We've loaded these boats with outstanding features and an unbeatable warranty, so whether you select a strong and simple rig or something with a little more flair, Starweld's quality materials and durable construction come standard.

# STARWELD PRO

Guided by professional anglers who know what it takes to be a winner, Starweld Pro Series fishing boats are built to take value to the next level. To begin with, they share Starcraft's legendary full-length reverse chine hull for quicker planing and a smoother, drier ride. The exclusive torsion beam construction (TBC) stringer system provides exceptional strength and shock absorption. Plus, you can rig your Starweld with popular options, including a trolling motor, sonar unit, depth gauge, snap-in carpet, bimini top, and much more. Take a closer look at all the Pro Series has to offer for great features and great value.

**1 All-Welded Construction**

Every Starweld offers the toughness and reliability of all-welded marine-grade aluminum construction that's backed by a lifetime warranty on all seams.

**2 Premium Console**

Starweld consoles are automotive-inspired and feature speedometer, tachometer, voltmeter and fuel gauge.

**3 Aerated Livewells** are designed for convenience and to protect your catch. (See model lineup for location and sizes)

**4 Lockable Rod Storage** provides plenty of secure storage space for your gear and keeps the floor free of obstructions. (See model lineup for in-floor, bow, stern, port and starboard locations)

**5 Convertible Bow and Stern Seats** allow you to quickly go from leisure to fishing.

**6 Twice-Baked Painted Hull**  
Starweld full painted hulls provide showroom looks designed to last for years.

**7 Machine-Formed Ribs**  
Our unique machine-formed ribs are stronger and more flexible than the heavy two-ply aluminum used by many competitors.

**8 Torsion Beam Construction**  
Instead of the flat I-beams that you find on many boats, Starweld uses the exclusive Starcraft Torsion Beam Construction (TBC) stringer system for exceptional strength and shock absorption.

**9 Injection Floatation Foam**  
On a Starweld foam is injected, not poured, between the floor and hull - filling all air pockets. This provides greater strength and buoyancy and reduces noise.

**10 Reverse Chine Hull**  
The Starweld full-length reverse chine hull pushes water down and away from the boat, for quicker planing, improved cornering and a smoother, drier ride.

**11 Aft Casting Platforms**  
Because Starweld boats are all about fishing, they have the largest aft casting platforms in their class.

THE INDUSTRY'S BEST WARRANTY. PERIOD.  
**BUILT & BACKED BY STARCRAFT.**

**CONSTRUCTION THAT SETS US APART**

- Hand-Crafted Upholstery
- Bow Ribs - Extend Beyond TBC String System
- Color Fast Solution-Dyed Canvas
- Centralized Fuel Tanks for Softer Ride
- Biocide-treated Foam
- Two Piece Hull - Eliminates Side Seam Risk
- Hull Integrity Water Testing
