If there’s one truth about boat buying, it’s this: you need to know where your boat comes from, who’s building it, and if they know what they’re doing. Take a closer look at Starweld by Starcraft, and you’ll have your answer — great all-around fishing boats born of Starcraft’s 110 years of heritage on the water.

The Starweld lineup ranges from 20-foot pro-style v-hulls to rugged, durable tillers — and they all share Starcraft’s legendary quality and all-welded technology. Plus, we’ve listened to our customers and learned which features are important to you, making the buying process quick and easy. And finally, here’s a tip: if you’re looking at other boats, be sure to check the warranties. Ours is the best you’ll find anywhere, because that’s how much we believe in the products we sell.

So welcome aboard. With the best values on the water, we’re working harder to get you out fishing where you belong — no matter the size of your budget. Because the way we see it, if you’re going to pay for a name, make it a name that means something. Make it a Starweld by Starcraft.

Packed with Value. Backed by Starcraft.

STARTCRAFTSTARWELD.COM

THE INDUSTRY'S BEST WARRANTY. PERIOD.

Only a company with the proven history and longevity of a brand like Starcraft can offer you this:

- Limited lifetime warranty on hull and structure
- 6-year warranty on all components, carpet, upholstery, and electronics
- All parts and labor
- Transferable to second owner

*Pricing is based on boat, motor and trailer only. Does not include freight, dealer prep or applicable taxes. Pricing in USD.
TORSION BEAM CONSTRUCTION

Instead of the flat I-beams that you find on many boats, Starweld uses the exclusive Starcraft Torsion Beam Construction (TBC) stringer system for exceptional strength and shock absorption.

TWICE-BAKED PAINTED HULL

Starweld full painted hulls provide showroom looks designed to last for years.

MACHINE-FORMED RIBS

Our unique machine-formed ribs are stronger and more flexible than the heavy two-ply aluminum used by many competitors.

REVERSE CHINE HULL

The Starweld full-length reverse chine hull pushes water down and away from the boat, for quicker planing, improved cornering and a smoother, drier ride.

INJECTION FLOTATION FOAM

On a Starweld foam is injected, not poured, between the floor and hull — filling all air pockets. This provides greater strength and buoyancy and reduces noise.

Popular Options

- Trolling motor
- Hydraulic steering
- Sonar unit
- Depth gauge
- J-bank battery charger
- Swing platform (NA on TL model)
- Ski tow (NA on 1800 DC, 1800 SC, and TL models)
- Snap-in carpet (NA on TL models)
- Additional bass seat
- Snap-on mooring cover
- Bimini top with visor (NA on TL models)
- Bimini top with voice side curtains (NA on 1800 SC and TL models)
- Side curtains (NA on 1800 SC and TL models)
- All-terrain tire packs (NA on 1800 SC and TL models)
- Walk-thru curtains (NA on 1800 SC and TL models)
- Bow cover (NA on 1800 SC and TL models)

Standard Features

- All-welded construction with lifetime warranty
- Heavy .100 gauge one-piece hull
- Automotive-inspired consoles with speedometer, tachometer, voltmeter and fuel gauge
- Large bow casting platforms
- Stern flip-up bench seat (2000, 1900, 1800, 1700)
- Premium sealed free fishing seats
- 25-gallon aerated livewell with bait bucket (1800 DC, 1800 SC, 1802 TL, 1804 TL)
- 17-gallon aerated bow/livewell & 17-gallon stern livewell (1900)
- 11-gallon aerated bow/livewell & 15-gallon stern livewell (1800, 1700)
- AM/FM stereo with 4-port (NA on 1800 SC, 1800 SC and TL models)
- Speedometer, tachometer, voltmeter and fuel gauge
- Large bow casting platforms (2000, 1900)
- Premium sealed free fishing seats (2000, 1900)
- All-welded construction with lifetime warranty
- Heavy .100 gauge one-piece hull
- Automotive-inspired consoles with speedometer, tachometer, voltmeter and fuel gauge
- Large bow casting platforms
- Stern flip-up bench seat (2000, 1900, 1800, 1700)
- Premium sealed free fishing seats
- 25-gallon aerated livewell with bait bucket (1800 DC, 1800 SC, 1802 TL, 1804 TL)
- 17-gallon aerated bow/livewell & 17-gallon stern livewell (1900)
- 11-gallon aerated bow/livewell & 15-gallon stern livewell (1800, 1700)
- AM/FM stereo with 4-port (NA on 1800 SC, 1800 SC and TL models)
- Speedometer, tachometer, voltmeter and fuel gauge

* Pricing is based on boat, motor and trailer only. Does not include freight, dealer prep and applicable taxes. Pricing in USD.
All-Welded Value. All-Pro Performance.

Standard Features
- All-welded construction with lifetime warranty
- Heavy .100 gauge one-piece hull
- Automotive-inspired consoles with speedometer, tachometer, voltmeter and fuel gauge
- Large bow casting platforms
- Large durable full-vinyl bow and casting platforms
- Premium wood-free fishing seats
- 30-gallon aerated bow livewell (2000 Pro)
- 25-gallon aerated livewell (1800 Pro)
- 25-gallon aerated livewell with bait bucket (1600 Pro/DX)
- All-welded stringer with 1-part
- Hydraulic steering (2000 Pro and 1800 Pro)
- 24-volt wiring (2000 Pro)

All-Welded Construction
Every Starweld offers the toughness and reliability of all-welded marine-grade aluminum construction that’s backed by a lifetime warranty on all seams.

Lockable Rod Storage
Provides plenty of secure storage space for your gear and keeps the floor free of obstructions. (See model lineup for location and size)

Aft Casting Platforms
Because Starweld boats are all about fishing, they have the largest aft casting platforms in their class.

Aerated Livewells
Are designed for convenience and to protect your catch. (See model lineup for location and size)

Reverse Chine Hull
The Starweld full-length reverse chine hull pushes water down and away from the boat, for quicker planing, improved cornering and a smoother, drier ride.

Injection Flotation Foam
On a Starweld foam is injected, not poured, between the floor and hull — filling all air pockets. This provides greater strength and buoyancy and reduces noise.

Torsion Beam Construction
Unlike the flat planks that you find on some boats, Starweld uses exclusive Torsion Beam Technology in both 1800 Pro/DX hulls for superior strength and shock absorption.

Machine-Formed Ribs
Our unique machine-formed ribs are stronger and more flexible than the heavy two-ply aluminum used by many competitors.

Twice-Baked Painted Hull
Starweld full painted hulls provide showroom looks designed to last for years.

Popular Options
- Trailering motor
- Hydraulic steering
- Sonar unit
- Depth gauge
- 2-bank battery charger
- Swim platform
- T-tower (NA on 1800 Pro)
- Snap-in carpet
- Additional Deck seat
- Snap-on mooring cover
- Bimini top with vise (NA on 1600 Pro SC)
- Bimini top with vise and side curtains (NA on 1800 Pro SC)
- Side curtains (NA on 1600 Pro SC)
When you choose a Starweld Pro, you know you’re getting a pro-style fishing boat that has unbeatable all-welded construction and all the right features. Step up to pro fishing. In a value-packed Starweld Pro, it’s all within reach.

A LEGACY OF VALUES. Ours. Yours.
As boat builders continue to consolidate under corporate umbrellas and sell through mass channels, Starcraft Marine proudly remains family-owned and operated, delivering the highest quality boats through only the most qualified, customer-focused marine dealers in the country.

Our owners represent an extension of family. Beyond buying a boat that will deliver many great memories of their own, owners should be proud of the legacy our brands represent—in turn building on their own.

Learn more about the legacy at www.thebestboatbrands.com.
